## 5km training plan

### Beginners plan

# 5km TRAINING PLAN - BEGINNERS

- Always substitute cross-training for running if you are injured, very sore or it's not safe to run.
- Please add core conditioning, Pilates or yoga classes once or twice a week if you have time.
  - Try to stretch every day for at least 10 minutes.
  - Always eat within 20–30 minutes of finishing a run.
- Always train at the specified paces; don't compromise or run too hard. Tiredness always catches up, so take extra rest if required.
