

"My brother and I love to challenge ourselves – we were already planning on doing the national three peaks and we thought we could raise money for a great cause while we do it too. The idea to raise the money for Newcastle Hospitals Charity came from a discussion with my partner's mum. She is a Senior Oncologist at the Royal Victoria Infirmary (RVI) and she explained the amazing work that the charity does within the hospital!"

Ethan, Three Peaks Challenge

"The Great North Children's Hospital is such an asset to the region and has helped countless families, including my nephew. During childbirth, he suffered from Rhinovirus, which led to him being induced into a coma. He was put on a ventilator for a fortnight as his lungs were collapsing. Thanks to the incredible support he received, they delivered life-saving treatment.

Ever since, I had it in my mind that I'd like to fundraise to express my gratitude."

Ryan, Amsterdam Marathon
