

Getting started...

Here are our top tips to make the most of your fundraising

- 1. Register** - don't forget to register your fundraising so that we can provide ideas, support, advice and guidance
- 2. Activity** - get creative when choosing your activity. Pick something from our list, or come up with an idea of your own. Then you'll need to set a time, date and venue for the event
- 3. Target** - set your fundraising target. This is a great way to keep everyone motivated. Decide how much you'd like to raise and how you'll collect donations. We suggest creating an online fundraising page using JustGiving <https://www.justgiving.com/newcastleupontynenhs>. This is the easiest way to collect donations and the money reaches us automatically
- 4. Promote** - make as much noise as you can to let everyone know what you're doing and why. Use our fundraising materials to help you spread the word <https://charity.newcastle-hospitals.nhs.uk/get-involved/fundraising/fundraise-for-us/>. JustGiving provide QR codes, which can easily be shared
- 5. Have fun** - whatever you choose to do, make sure to enjoy yourself and make amazing memories too
- 6. Pay in** - any online fundraising will automatically be sent to us. Other donations can be paid in online, by phone or cheque to Newcastle Hospitals Charity. See <https://charity.newcastle-hospitals.nhs.uk/get-involved/how-to-donate/how-to-donate/> for more guidance
- 7. Gift Aid** - through Gift Aid you can boost your donation by 25p for every £1 you give at no extra cost to you. Please tick the Gift Aid box when you submit your donation form and money
- 8. Get social** - follow us on social media and check out our website for all the latest news and announcements
